PRODUCT STORY

Native Australian Oils combined with Vitamins A & E help support your skin's natural tanning process, promoting faster-looking, golden results. Biosine Complex® formula delivers nutrients, moisturizers and protectants that help keep your skin hydrated and conditioned to allow maximum UV-stimulated melanin production. Vitamin A helps protect skin from fine lines and wrinkles. Finish with a golden shimmer and a tropical fragrance for a reimagined take on this iconic tanning experience

TECHNOLOGY

COLOR TECHNOLOGY

HOW TO USE

This product is intended for UV tanners. Generously apply the product to the skin in a circular motion before tanning to provide a great base for a tan or after to build color for an exquisite look. For best results, pair with a primer and tan extender to ensure your skin maintains its golden glow. Avoid contact with eyes and delicate facial skin.

QUICK FACT

Dark Tanning Accelerator offers the same classic formula but with the perfect shimmer twist to leave you with an elevated immediate glow!
