## PRODUCT STORY

Retro Glow™ brings back the feeling of iconic tanning with a modern skincare twist. Inspired by the golden, sun-kissed glow of summer's past. Make the most of your glow with this superior tan-enhancing and skin-conditioning formula. Use prior to a UV session for deeper, longer-lasting color results. Turn back time, and turn up your tan, with Retro Glow™!

## TECHNOLOGY

### COLOR TECHNOLOGY

**Flashback Fusion Intensifier** helps stimulate melanin production to enhance natural-looking color while helping protect skin for a beautiful golden glow

### SKINCARE TECHNOLOGY

- **Papaya Balancing Blend** is a fusion featuring Papaya that works to balance uneven skin tone, revealing a polished and smooth appearance
- **Retro Radiance**
  - **Sea Salt Minerals** help reinforce and replenish the skin's barrier
  - **Copper Gluconate** supports the skin's natural bronzing process for hydrated, longer-lasting color
- **Silk Glide Technology**
  - A moisturizing complex powered by Safflower Oil, Glycerin, and Dimethicone that helps deliver effortless spreadability while soothing and protecting skin

## HOW TO USE

This product is intended for UV tanners. Generously apply the product to the skin in a circular motion before tanning to provide a great base for a tan. For best results, pair with a primer and tan extender to ensure your skin maintains its golden glow. Avoid contact with eyes and delicate facial skin.

### QUICK FACT

Retro Glow™ is inspired by Australian Gold®'s burst of popularity in the 80's!
