### PRODUCT STORY

Australian Gold® After Sun Moisturizer with Bronzer is a lightweight, hydrating, after sun bronzing lotion that helps increase moisture to the skin, extend your tan, and easily washes away.

### BENEFITS

**Hydration Complex:** Formulated with Glycerin and Aloe Vera to boost the skin's hydration, improve smoothness, help the skin appear rejuvenated, and extend your tan.

**Nourishing Blend:** Vitamin E and Hemp Seed Oil work together to help nourish the skin, reduce the appearance of inflammation, and protect the skin from moisture loss.

**Bronzing Complex:** Improves and enhances the skin's appearance with a bronze finish.

**Tea Tree Oil:** A powerful antioxidant containing natural odor fighting properties to leave skin fresh.

**Fragrance:** Cocoa Dreams

**Specially Formulated:** Designed to be Gluten Free and PABA Free. No added Parabens. PETA approved.
