HOW TO USE

This product is intended for all customers. It is intended to be used at home after tanning and as a daily moisturizer. Generously apply the product to the skin in a circular motion. For best results, pair with Triple Dip Intensifier and Triple Dip Facial Intensifier to ensure your skin maintains its golden glow. Avoid contact with eyes and delicate facial skin.

QUICK FACT

Afterglow Firming Moisturizer has clinically backed data ingredients that help diminish the appearance of cellulite!

PRICE: _____

LOTION TECHNOLOGIES

SKINCARE TECHNOLOGY

- **ALGAKTIV® UpLift** has been shown to:
 - Improve the appearance of skin firmness by up to 11% in 28 days*
 - Help reduce the appearance of stretch marks in 28 days*
 - Increase skin's moisturization by up to 13% in 56 days*
 - Improve the appearance of skin elasticity by up to 5% in 56 days*
- **Afterglow Effect**
 - **Marine Collagen** helps improve the look of elasticity and reduce the appearance of wrinkles for healthier-looking, hydrated skin
 - **Vitamin B5** deeply hydrates and moisturizes to support a softer, smoother-looking tan
 - **Hydrolyzed Algin** helps deliver fast, streak-free color while gradually enhancing results with daily use, even without UV exposure
 - **Melanin Activating Peptides** help promote plump, toned-looking skin for a smoother-looking tan
- **Glow Maintenance** is designed to enhance and maintain UV, Sunless and Red-Light results between uses. With daily at-home use, peptides and moisture-rich ingredients work to support melanin production for faster color development and even skin tone
- **Ink-Drink® Complex** is a combination of Raspberry Leaf Extract, Beeswax and Shea Butter that work together to moisturize the skin and help protect against tattoo fading

- **Smoothing Emollients** is a blend crafted with skin-conditioning emollients and soft-focus technology; this blend leaves skin feeling silky smooth while helping to moisturize, soften and enhance radiance
- **Intense Moisture Blend** helps rejuvenate skin with moisture-sealing ingredients such as Glycerin, Coconut Oil, Safflower Oil and Shea Butter
- **ATO Inhibitor** makes this the perfect lotion to apply post-UV session to help prevent unpleasant after-tanning odors and leaves skin smelling fresh through the day

*Instrumental result; based on an in-vivo study of 10 subjects using a hydrogel containing 1% ALGAKTIV® UpLift twice a day.
