

13.5 oz bottle | 0.75 oz packet

ABOUT THE PRODUCT

Say hello to the sexiest version of you with Tan Asz U Aloha Beaches 300X Blue Hawaii Anti-Orange Magic Bronzer Tanning Lotion. This drop-dead gorgeous island goddess bronzer makes your tanning dreams feel closer by infusing a shade of blue to shift your tan away from orange hues toward the perfect Hawaiian glow. An exclusive 300X Blue Hawaii bronzing blend utilizes Polynesian blue hues to color correct underlying orange skin tones for a stunning tan, while a potent peptide skin-firming complex helps skin look more tightened, toned and smooth. The Clean Beauty formula is vegan, gluten free, paraben free, cruelty free and phthalate free, finished with a Peaches & Love fragrance that smells like sunny skies and good vibes. Designed for tanning beds and does not contain SPF or provide sun protection, so always pair with appropriate protection when exposed to the sun.

Made in USA with Globally Sourced Ingredients

KEY INGREDIENTS

- Coconut Oil
- Peptides
- Pineapple Extract
- Caffeine
- Very light DHA

FRAGRANCE

Peaches & Love - white peach, mandarin, orange, wild mint, vanilla bean, coconut

BENEFITS & FEATURES

- Ultra-Dark 400X Bronzer: DHA-free Double Shot 400X bronzing blend delivers intense yet balanced golden-brown color for a deep, vacation-worthy tan
- Coconut Water & Peptides: Coconut water base conditions skin for a stunning tone while Dark Reserve Peptides infuse your tan with a remarkable depth, radiance and a nourished feel
- Algae Extract & Charcoal: Organic algae and black charcoal help nourish and beautify your bronze while the fluid formula wraps skin in incredible softness for a smooth finish
- Deep golden-brown color with a soft, smooth finish as coconut water, peptides and algae help skin feel conditioned

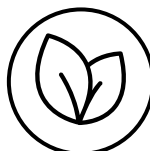

HOW TO USE

Apply evenly to clean, dry skin before indoor tanning, avoiding sensitive areas; wash hands thoroughly after use.
