ABOUT THE PRODUCT

Black sand beaches, crystal waters and perfect skies inspire a tan so deep it can only be described as island black, as Step Two 500X plateau-erupting bronzing helps push your color beyond its usual limits. An advanced skin care blend of Copper Peptides, Hyaluronic Acid and Ceramides infuses skin with a smooth, hydrated feel and a radiant glow, while a lush Hawaiian blend of tropical fruit, floral extracts and carrot oil unveils its tanning secrets for waves of exotic color. Our Polynesian Potion helps your tattoos express themselves in vibrance and depth, and the Honeyed Coconut fragrance surrounds your skin and senses with the softness and scent of paradise.
