REDLIGHT-ST® ULTRA CONCENTRATED UNDER EYE SERUM

Under Eye Serum/Step 2

This ultra-light, fragrance free under eye serum helps reduce the appearance of dark circles and puffiness, while smoothing and hydrating skin to promote faster, noticeable skin care results.

Key Ingredients & Benefits:

- **Regu®-Age PF** helps reduce puffiness & dark circles.
- **Acticire-MB** hydrates and improves skin barrier.
- **Allantoin** soothes and helps replenish dry skin.
- **Squalane and Hyaluronic Acid** improves overall skin health for a more youthful appearance.

Featured Ingredients

Hyaluronic Acid

Squalane

Cucumber Extract

Hydrolyzed Rice Protein

Skin Care Benefits

- **Acticire-MB:** Combines Sunflower Wax, Jojoba, and Flower Wax to help reduce trans epidermal water loss, moisturize and improves the appearance of the skin surface
- **Allantoin:** Excellent moisturizing ingredient that helps to treat or prevent dry, rough, scaly, itchy skin and minor skin irritations.
- **Cucumber Extract:** This extract has hydrating, soothing and anti-inflammatory properties to help maintain moisturized skin. Antioxidants help fight against free radicals and helps improve skin texture for soft and smooth skin.
- **Hyaluronic Acid:** Good water-binding agent helps provide defense against water loss in skin. Its anti-aging properties stimulate collagen production and boosts skin elasticity.
- **Hydrolyzed Rice Protein:** Water-soluble protein derived from rice that is known to help hydrate, smooth and soothe skin while reducing trans epidermal water loss and improving moisture retention.
- **REGU®-AGE PF:** A natural bioactive skincare ingredient that protects the skin around the eyes and helps visibly reduce the look of dark circle and eye puffiness. Clinical studies confirm an improvement in the skin texture of 30%-plus in just four weeks. The active ingredient is a combination of carefully purified natural soy, rice peptides, and bio-technologically manufactured superoxide dismutase.
- **Squalane:** Helps provide deep hydration and helps support the skin barrier for soft, smooth skin. This is a non-comedogenic ingredient that does not clog pores, making it suitable for all skin types.
- **Vitamin B5:** Panthenol or Pantothenic Acid is an essential nutrient for healthy skin that is a natural humectant to hydrate and retain moisture in the skin. It has anti-inflammatory properties to soothe and calm irritated skin.
