Tanning Benefits

- **Tan Maximizers:** Enhances Melanin production during UV exposure for darker tanning results in a shorter period of time.
- **Tyrosine:** Amino Acid that helps to increase melanin production to enhance the body's natural tanning process for a more effective tan.
- **Cosmetic Natural Bronzers:** Natural streak free bronzers provide instant color to even skin tone for a smooth, flawless appearance.
- **DHA (Dihydroxyacetone):** Tanning agent commonly used in sunless formulas. A Keto Sugar derived from Sugarcane; it reacts with proteins on the surface of the skin to create the look of a tan by staining the upper levels of the skin lasting up to 8 days.

Skin Care Benefits

- **Aloe Vera:** An extract from the leaves of the Aloe Barbadensis plant known to have healing and soothing properties. It also helps condition, rejuvenate and restore moisture balance to the skin.
- **Bakuchiol Oil:** Bakuchiol Oil is a natural Retinol alternative that helps stimulate collagen and can help reduce the appearance of fine lines and wrinkles for a more smooth, youthful appearance.
- **Coconut Oil:** Hydrates, conditions and helps protect the skin. Extracted from the dried flesh of the Coconut, it has anti-aging properties and helps prolong the life of a tan.
- **Green Tea:** Well known for its Antioxidant properties, Green Tea reduces skin inflammation, boosts hydration and helps reduce the appearance of cellulite.
- **Jojoba Oil:** An extract from the bean of the Jojoba plant with a high Lipid content. This renewable source of high quality conditioning for the skin is excellent for all skin types.
- **Sea Buckthorn Oil:** This oil is packed with nutrients like Vitamin C, Vitamin E, Beta-Carotene, and Omega Fatty Acids. Sea Buckthorn Oil is also known to help provide deep hydration, antioxidant protection, and anti-aging properties.
- **Shea Butter:** Shea Butter is packed with vitamins and nutrients that are good for your skin. It helps relieve dry skin, calms inflammation, and provides excellent anti-aging benefits.
- **Squalane:** Helps provide deep hydration and helps support the skin barrier for soft, smooth skin. This is a non-comedogenic ingredient that does not clog pores, making it suitable for all skin types.
- **Vitamin B5/C/E:** Our Vitamin blend is packed with antioxidants that shield skin from free radicals and stimulates collagen synthesis. Panthenol or Pantothenic Acid is an essential nutrient for healthy skin that is a humectant to hydrate and retain moisture in the skin. Ascorbic Acid helps to brighten, soothe damaged skin, and reduces the appearance of fine line and wrinkles. And Tocopheryl Acetate helps protect against sun damage, conditions skin and maintains skin's natural moisture barrier.
