BENEFITS:

- Dark Tanning Plateau Breaking Intensifier - Powerful dark tanning intensifiers enhance tanning results without the use of bronzers.
- Collagen Banking Complex – A collagen infusion that aims to help replenish and preserve collagen.
- Neuroglow™ - Helps to enhance skin's radiance and reduce dullness to help overall tone and complexion appear more vibrant and luminous.
- Tiger Grass™ – Color correcting ingredient that reduces redness and helps protect skin from environmental stress and blemishes.
- Mel[O]stem™ - The first new plant derived active ingredient that has been clinically found to improve the skin's complexion and signs of aging by targeting sun spots of the skin for a better color balance.
- Copper Peptides – A skin restoring peptide that works as an antioxidant and promotes collagen & elastin repair to help reduce the appearance of scars and stretch marks.
- SymBronze® Green – Derived from microalgae, this extract enhances skin complexion and encourages a darker tan, leaving the skin with a flawless airbrushed finish.
- French Flax Seed – Supports the skin's moisture barrier.
- Peach Extracts – Antioxidant rich fruit extract that helps rejuvenate, hydrate and provide a natural glow to the skin.
- Acai Berry – A powerful antioxidant, helping to combat free radicals and reduce signs of aging while nourishing the skin for a smoother, more youthful appearance.
- Freshtek – Proprietary blend of deodorizing and skin freshening ingredients.
- Tattoo & Color Fade Protectors – Protects the color and luster of your tattoos and tanning results.
