Tanning Benefits

- **Tan Maximizers:** Enhances Melanin production during UV exposure for darker tanning results in a shorter period of time.
- **Tyrosine:** Amino Acid that helps to increase melanin production to enhance the body's natural tanning process for a more effective tan.
- **Cosmetic Natural Bronzers:** Natural streak free bronzers provide instant color to even skin tone for a smooth, flawless appearance.

Skin Care Benefits

- **Aloe Vera:** An extract from the leaves of the Aloe Barbadensis plant known to have healing and soothing properties. It also helps condition, rejuvenate and restore moisture balance to the skin.
- **Baobab Seed Oil:** This nutrient rich oil provides deep hydration, can help strengthen the skin barrier and helps improve skin elasticity and smoothness. It has Fatty Acids, Vitamins, and is non-comedogenic.
- **Caffeine:** Helps reduce puffiness and the appearance of fine lines and wrinkles. Also known to energize skin.
- **Carrot Root Oil:** Soothes the skin by reducing redness, irritation, and has strong anti-aging properties due to its rich content of vitamins A, C, and E. Carrot Seed Oil also helps to even out skin tone leaving it radiant and glowing.
- **Coconut Milk:** Lightweight ingredient that is rich in Fatty Acid's that helps hydrate and protect the skin barrier for a more radiant appearance.
- **Coconut Oil:** Hydrates, conditions and helps protect the skin. Extracted from the dried flesh of the Coconut, it has anti-aging properties and helps prolong the life of a tan.
- **Jojoba Oil:** An extract from the bean of the Jojoba plant with a high Lipid content. This renewable source of high quality conditioning for the skin is excellent for all skin types.
- **Mushroom Extract:** Known for its antioxidant properties, Mushroom Extract contains Kojic Acid to help brighten and even skin tone for a more radiant complexion. Also helps improve skin hydration.
- **Oolong Tea Extract:** Camellia Sinensis Leaf Extract has Anti-Aging and Antioxidant properties to help fight free radicals while promoting skin cell renewal.
- **Shea Butter:** Shea Butter is packed with vitamins and nutrients that are good for your skin. It helps relieve dry skin, calms inflammation, and provides excellent anti-aging benefits.
- **Vitamin B5/C/E:** Our Vitamin blend is packed with antioxidants that shield skin from free radicals and stimulates collagen synthesis. Panthenol or Pantothenic Acid is an essential nutrient for healthy skin that is a humectant to hydrate and retain moisture in the skin. Ascorbic Acid helps to brighten, soothe damaged skin, and reduces the appearance of fine line and wrinkles. And Tocopheryl Acetate helps protect against sun damage, conditions skin and maintains skin's natural moisture barrier.
