brown sugar®

BLACK CHOCOLATE™ COLLECTION

13.5 oz bottle | 0.75 oz packet

ABOUT THE PRODUCT

So many superlatives, so little space - dark, rich, sumptuous, lavish and exquisite are just the beginning of ways to describe Brown Sugar Black Chocolate Tanning Lotion. Crafted in small batches with the finest ingredients, this advanced 200X black bronzer bestows skin with an extensive bronzing recipe for an exceptionally deep, envy-worthy chocolate glow. Double dark chocolate extract pampers skin with potent antioxidants, while a decadent blend of organic butters and an ultra-rich butter and silicone mix melts in for unparalleled softness, smoothness and sheen. Black Chocolate is a rare and exceptional tanning experience not to be missed - perfect whenever you want your color and your skin to feel truly indulgent.
