

BRONZE RITUAL™

HYBRID FACIAL INTENSIFIER

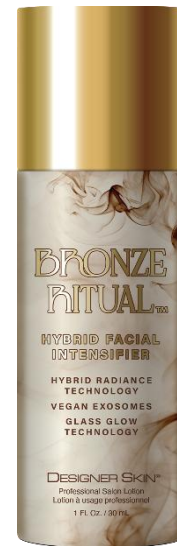

DESIGNER SKIN®

PRODUCT STORY

Elevate every session with Bronze Ritual Hybrid Facial Intensifier, formulated for UV tanning and light therapy services. Tyrosine and melanin-activating peptides support rich, even-looking color, while collagen-boosting peptides and vegan exosomes help visibly smooth, revitalize, and renew the complexion. Glass Glow Technology provides lasting hydration and a luminous, glass-like finish.

HOW TO USE

This product is intended for UV and/or Red-Light users. Generously apply the product to the skin in a circular motion before your first session. This product helps deepen color and intensify red-light results.

*Refer to back of bottle for most current list of ingredients

QUICK FACT

Bronze Ritual™ Hybrid Facial Intensifier features a non-comedogenic formula designed not to clog pores!

PRICE: _____

LOTION TECHNOLOGIES

HYBRID TECHNOLOGY

- **Hybrid Radiance Technology**
 - **Tyrosine** optimizes natural color development during UV exposure
 - **Melanin-activating peptide** supports color development and the appearance of plump, toned skin
 - **Collagen-boosting peptide** helps visibly smooth skin for a youthful glow

SKINCARE TECHNOLOGY

- **ALGAKTIV® Exometics™ G**
 - **Vegan exosomes** that help boost skin's radiance, revealing a healthy, glowing, youthful complexion
- **Glass Glow Technology**
 - A luxurious blend of radiance-enhancing emollients and silky silicones helps lock in moisture while leaving skin with a smooth, glass-like finish and luminous glow
- **Niacinamide**
 - Helps restore moisture loss and even skin tone
- **Aloe Extract**
 - Known to help replenish hydration, soothe dryness, and leave skin feeling calm, soft, and refreshed
- **Glycerin**
 - Moisture-attracting humectant that helps replenish hydration, prevent moisture loss, and leave skin looking smooth, plump, and supple

- **Skin Rejuvenation Complex**
 - **Gem extract** protects against environmental aggressors while enhancing the appearance of skin's clarity, luminosity, and overall vitality
 - **Caffeine** helps revive the appearance of tired skin while supporting a smoother, more toned, and refreshed-looking complexion
 - **Apple Extract** a vitamin- and antioxidant-rich botanical that helps defend against environmental stressors while supporting a smooth, refreshed, and radiant-looking complexion
