BENEFITS:

- DHA + Erythrulose Bronzing Blend – Utilizes melanin stimulants and bronzing agents to develop a gentle, effortless glow while enhancing UV tanning sessions.
- Caramel Extract – Helps the skin develop a longer-lasting natural bronze glow.
- Sensitive Skin Approved – Formulated hypoallergenic and fragrance free for all skin types.
- Organic Grape Water – Helps to improve the skin's microbiome to reveal fresh, healthy-looking skin.
- Cucumber Extract – Helps to naturally nourish, hydrate, comfort, soothe, calm and depuff the appearance of the skin.
- Green Tea Extract – Anti-aging, soothing and antioxidant rich properties.
- Shea Butter – Helps to repair and replenish moisture to dry, damaged skin.
- Ceramide Complex – Essential fatty acids that help to moisturize and strengthen the skin's natural barrier.
- Squalane – Replenishes moisture and restores softness while supporting the skin's lipid barrier.
- Hyaluronic Acid – A gentle blend of agents that work to hydrate layers of the skin to promote a bouncy, plump look.

KEY SELLING STATEMENT:

Consider this your sensitive skin's invitation to glow. This gentle DHA + Erythrulose bronzing formula delivers beautifully natural-looking color while surrounding skin in soft, replenishing moisture. Caramel provides an instant hint of bronze as DHA and Erythrulose gradually develop into smooth, even-looking color with a gorgeous sun-kissed finish. A skin-loving blend of Ceramides, Squalane and Shea Butter helps condition and soften while supporting the look of a smooth, supple moisture barrier. Hyaluronic Acid draws in hydration to help skin appear plumper and more refreshed, while Cucumber and Green Tea help leave the complexion looking calm, comfortable and beautifully conditioned. Lightweight, hydrating and made for a softer approach to color, this skincare-infused bronzer leaves skin feeling silky, moisturized and effortlessly golden- because your glow should feel as good as it looks.
