

7.5 oz bottle | 0.75 oz packet

ABOUT THE PRODUCT

Follow your heart's desire - whether it's the exotic bronze glow of the islands or a healthy-looking, youthful radiance, this advanced tanning and red light all-in-one lotion is the perfect pair. A "Queen Honeybee" royal honey and coconut butter infusion conditions skin for the ultimate bronze, while a potent Collagen, Peptide and Hyaluronic Acid trio acts like a secret "eternal youth" glow serum for smoother, supple-looking skin. Lush amounts of carrot oil help your tan reach entirely new levels, and a Triple Coconut Complex plus tattoo enhancing tech keep both your color and your ink looking vibrant. It's as easy - and indulgent - as cake for anyone who wants bronzed, youthful-looking skin in one delicious step.

Made in USA with Globally Sourced Ingredients

KEY INGREDIENTS

- Royal Honey
- Coconut Butter
- Collagen
- Peptides
- Hyaluronic Acid
- Carrot Oil

FRAGRANCE

CocoHoney Nectar - coconut, mandarin, jasmine, amber, vanilla, musk

BENEFITS & FEATURES

- **Advanced Tanning & Red Light:** Advanced all-in-one tanning and red light inspired technology is the perfect recipe for pairing exotic bronze color with youthful-looking radiance
- **Queen Honeybee Infusion:** Royal honey and coconut butter infusion conditions skin for the ultimate bronze so it feels soft, pampered and island-smooth
- **Glow-Boosting Trio:** Potent Collagen, Peptide and Hyaluronic Acid trio acts like a secret glow serum, helping skin look smoother, supple and beautifully refreshed
- **Nourishment & Scent:** Lush carrot oil helps your tan reach new levels while Triple Coconut Complex helps your glow shine; finished with a CocoHoney Nectar fragrance for a gourmand touch

HOW TO USE

Apply evenly to clean, dry skin before indoor tanning, avoiding sensitive areas; wash hands thoroughly after use.
