

# Australian Gold®

## COOLING MIST

### FEATURES

- Cooling Formula
- Aloe Vera
- Dermatologically Tested
- Non-Greasy
- Quick Dry
- Fragrance: Sandalwood

### PRODUCT STORY

Australian Gold® Cooling Mist will cool, soothe, and rehydrate your skin with the benefit of Hyaluronic Acid and no added alcohol.

### BENEFITS

**Soothing Blend:** Formulated to give a hydrating, cooling, and refreshing feeling as it dries on the skin.

**Hydration Complex:** Hyaluronic Acid and Aloe Vera work together to boost the skin's hydration and help the skin look and feel rejuvenated.

**Ease of Use:** Developed to be easy to apply without feeling greasy or sticky on the skin.

**Fragrance:** Sandalwood

**Specially Formulated:** Designed with no added Gluten, PABA, Sulfate, Alcohol, Parabens, Phthalates, or Artificial Dyes. PETA approved. Dermatologically Tested.
