BENEFITS:

- Blend of DHA, Natural & Cosmetic Bronzers – Utilizing instant and delayed bronzers to provide natural dark results.
- Extreme Heat Blend – Most advanced tingle and hot action formula available that increases microcirculation faster for darker results
- Chili Pepper Fruit Extract – High in Vitamin C, Chili Pepper Fruit Extract helps to boost circulation and delivers a warming sensation, which helps to stimulate oxygen production and promote a more radiant complexion.
- Wasabi Extracts – Powerful antioxidant properties that help to detoxify the skin and work to protect against environmental stressors and damage.
- Striover™ - Utilizing a combination of two plant based compounds, Striover™ helps improve energy in the skin to increase elasticity and reduce the appearance of stretch marks.
- SymBronze® Green – Derived from microalgae, this extract enhances skin complexion and encourages a darker tan, leaving the skin with a flawless airbrushed finish.
- Mel[O]stem™ - The first new plant derived active ingredient that has been clinically found to improve the skin's complexion and signs of aging by targeting sun spots of the skin for a better color balance.
- Exosomes – A powerful and potent ingredient that works to regenerate and rejuvenate the appearance of healthy skin cells.
- Nicomenthyl™ - Helps to nourish, repair and detoxify the skin.
- Turmeric Extract – Known for its antioxidant and anti-reddening properties, Turmeric helps to improve the look of the surface of your skin to create a more blemish free, even appearance.
- Niacinamide™ – Contains high levels of B3 to improve skin elasticity, fight breakouts, even out skin tone and enhance the skin's natural barrier to lock in moisture.
- Ginger Root – Helps to reduce irritation and inflammation in the skin.
- Blue Tansy – Provides anti-orange agents so the skin develops the most natural, dark bronzed results.
- Skin Energizing & Firming Blend – Helps to improve skin firmness, and reduce the appearance of wrinkles for a more youthful, revitalized complexion.
- Freshtek – Proprietary blend of deodorizing and skin freshening ingredients.
- Tattoo & Color Fade Protectors – Protects the color and luster of your tattoos and tanning results.
