ABOUT THE PRODUCT

Get drenched in a new level of darkness with Brown Sugar Dipped in Dark Tanning Lotion. This Double Dark 400X bronzing recipe for stunning color surrounds you in lush conditioning and softness, helping your bronze break through to the next plateau with incredibly deep, long-lasting results. Hyaluronic Acid and Collagen work together to give skin a smooth, youthful-looking glow, while advanced bronzing ingredients are expertly blended with beloved skin care secrets to promote flawless, streak-free, radiant color. Body art tattoo enhancers intensify the appearance and luminosity of your ink, and a brushed-in-bronze crème matrix plus Colortopia Peptide Smoothie help your tan look freshly airbrushed every time.
