

DOUBLE DARK EMBELLISH™

600X CLOUD BRONZER

brown sugar®

DOUBLE DARK™ COLLECTION

13.5 oz bottle | 7.5 oz bottle | 0.75 oz packet

ABOUT THE PRODUCT

Try as you may, there is no jewelry, designer clothing or accessory that can duplicate the striking beauty of truly radiant skin. Elite Double Dark 600X Cloud Bronzing combines Brown Sugar's darkest formula yet with a mattifying complex to create a soft, cloud-smooth bronze that helps mask imperfections for stunning, photo-ready skin. Professional-level DHA takes your color to new depths that continue to blossom after your tanning session, while Advanced Cica Tattoo Enhancing bestows your body art with vibrancy and impact. A refined blend of Copper Peptide and Hyaluronic Acid infuses skin with elevated radiance and silky smoothness, all wrapped in an Apricot Glow fragrance. Adorn yourself with natural beauty so enviable it can't be bought.

Made in USA with Globally Sourced Ingredients

KEY INGREDIENTS

- DHA
- Tiger Grass
- Carrot Oil
- Hyaluronic Acid
- Copper Peptides

FRAGRANCE

Apricot Glow - coconut, pear, rose, lavender, jasmine, gardenia, vanilla, amber, moss

BENEFITS & FEATURES

- 600X Double Dark Cloud Bronzer: Elite Double Dark 600X Cloud Bronzing combines our darkest formula yet with a mattifying complex to create a soft, flawless-looking bronze that helps blur imperfections
- Professional-Level DHA: Professional-level DHA takes your color to new depths that continue to develop after your tanning session for a long-lasting, head-turning glow
- Tattoo & Radiance Complex: Advanced Cica Tattoo Enhancing helps your body art look vibrant and impactful while Copper Peptide and Hyaluronic Acid infuse skin with elevated radiance and smoothness

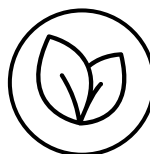

HOW TO USE

Apply evenly to clean, dry skin before indoor tanning, avoiding sensitive areas; wash hands thoroughly after use.
