ABOUT THE PRODUCT

Let's get sexy with Brown Sugar Double Dark Sexy Side Tanning Lotion, a 400X Ultra Sultry Dark Jamaican Castor Oil Wildbronzing love potion made to erupt like a volcano of sexiness. 400X Wildbronzers tap into nature's darkest tanning secrets for plateau-busting color, while ultra-dark Jamaican Black Castor Oil and double carrot oil give your tan extra brilliance and tone. Hyaluronic acid and peptides help keep skin feeling smooth and glow-drenched, as aphrodisiac ambrosia beguiles everyone in your orbit. A Tiger Grass infusion keeps your body art looking its most vibrant, all wrapped in a Midnight Electric Beach fragrance that turns every session into a late-night fantasy. Because you were born to be a bronzed goddess - and now it's time to have some fun on your sexy side.
