Redefine opulence for the most Exclusive[™] tan of your life!

COLOR TECHNOLOGY

18X Exclusive Bronze: Step into the royal world of tanning with our prestigious tanning complex that delivers a premium surge of DHA and Caramel bronzing power for a dignified dark tan that commands everyone's attention.

SKINCARE TECHNOLOGY

Wealth Whispers Complex: A rich harmony of Rice Water and Propolis combat free radicals and promote hydration for luxurious looking skin. Rice Water helps even the skin tone for a naturally extravagant glow. Propolis helps promote skin radiancy.

VIP Privilege: Wild Yam Extract is an elite plant-based mucin extracted to award the skin a plethora of benefits such as high-end hydration, brightening properties, skin barrier protection and skin-smoothing properties to help leave your skin polished. An infamous hydration so smooth it leaves a glass-like finish to the skin.

Posh Silicone Blend: Brings a lavish feel to your skin unlike any other, indulging in the perfect fusion of comfort and luxury. Crafted to elevate your tanning experience to new heights.

Licorice Root: Explore the pure elegance of licorice root known for its skin soothing properties and ability to improve the look of uneven skin tone.
