PRODUCT STORY — Faux Natural Sunless Collection

For trendsetters who demand show stopping perfection. High fashion has met its bronzing match in the DS Faux Natural™ Sunless Collection. This is bound to be a beautiful addition to UV and Sunless routine, offering a specially curated formula designed to enhance facial color. You'll be basking in golden pandemonium, while everyone else tries to unravel your bronzing secret. Go ahead, let them stare. Sometimes it's okay to fake it.

COLOR TECHNOLOGY

Double Dip Primer: Preps the skin for a timeless tan no matter the session! Combine use during a sunless session mixed with the intensity of UV color development to achieve the ultimate beachy glow.

SKINCARE TECHNOLOGY

Color Correcting: This flawless formula utilizes hues specially curated to complement instant and delayed bronzers for perfectly balanced color. The powerful pink tint balances dark spots for a uniform, even bronzed look.

Pure Solar Peptides: Accelerate the development of a richer and darker color while actively providing superior age-defying properties.

Caffeine and Coffee Seed: A remarkable infusion works to dedicate renewed vitality and radiance into the skin. Revitalize the skin with a blend destined to reveal a vibrant complexion.
