ABOUT THE PRODUCT

Consider yourself bumped into a class all your own with Tan Asz U First Class Tan Asz. Luxurious advanced tanning technology helps take your dark sky high, while lush amounts of Carrot Oil and a coconut water base upgrade your color to new levels and keep skin feeling soft and smooth. A posh peptide infusion works together with the Ink intuition Tattoo Enhancing Complex to refresh your body art's vibrancy and promote a beautiful, refined-looking skin tone. The Clean Beauty formula is vegan, gluten free, paraben free, cruelty free and phthalate free, finished with an Electric Beach fragrance that channels warm nights and ocean breezes. Designed for tanning beds and does not contain SPF or provide sun protection, so always pair with appropriate protection when exposed to the sun. No moment too big and no bronze too bold, this luxe formula is designed from the get-go to elevate your tan to an envy-worthy status.
