

NEW! 2026

SNOOKI® GLOW UP INTENSIFYING SERUM

SUNEVOLUTIONS™
Tanning Skincare Evolved

Quad Power Skin Firming Body Serum Formula for UV, Light Therapy & Sunless Prep

Glow like never before with Snooki® Glow Up Tanning Intensifying Serum—your new skincare essential for bronzed, youthful, and flawless skin. This powerhouse body serum is specifically designed for UV tanning, light therapy, and sunless prep, ensuring your skin is primed for the ultimate glow. Tattoo Color Shield Technology helps to maintain the color and vibrancy of tattoos, while our proprietary Red Light Therapy Complex featuring antioxidant rich Ferulic Acid and Niacinamide helps reduce signs of aging, boosts collagen, and improves skin elasticity. Enhanced with Melanin boosting Epsiline® and Tanositol™ SPE, this silicone free serum will take your skin to next level. Your glow-up starts here!

Featured Ingredients

Redlight Therapy
Complex

Tattoo Color
Shield

Papaya
Enzymes

Squalane

Tanning Benefits

- **Tan Maximizers:** Enhances Melanin production during UV exposure for darker tanning results in a shorter period of time.
- **Tyrosine:** Amino Acid that helps to increase melanin production to enhance the body's natural tanning process for a more effective tan.
- **Epsiline:** This natural active ingredient is designed to activate tanning and increase Melanin production for a longer lasting tan. It also improves antioxidant defenses to help maintain soft, moisturized skin and supports the skin barrier.
- **Tanositol SPE:** Inositol supports melanogenesis (the production of melanin), resulting in a faster-developing, even tan. It extends the life of your tan by helping to stimulate skin cell vitality and maintain optimal hydration to prevent fading or dull skin.

Red Light Therapy Complex

- **Copper Peptides:** Natural Amino Acids that help produce collagen and elastin while reducing the appearance of fine lines and wrinkles.
- **Rose Quartz Extract:** Rose Quartz helps to boost circulation in the skin, brightens complexion and leaves skin looking radiant. This superior antioxidant works to boost cell turnover and collagen synthesis, protecting skin and minimizing signs of aging.
- **Niacinamide:** This Retinol alternative helps to restore skin's defense against moisture loss, evens out skin tone, builds keratin and restores the lipid barrier. Suitable for all skin types, it helps prevent premature signs of aging and boosts collagen.
- **Ferulic Acid:** This plant-based antioxidant is known for its anti-aging properties. Ferulic Acid fights free radicals while boosting the effectiveness of other antioxidants such as Vitamin C and E protecting overall skin integrity.

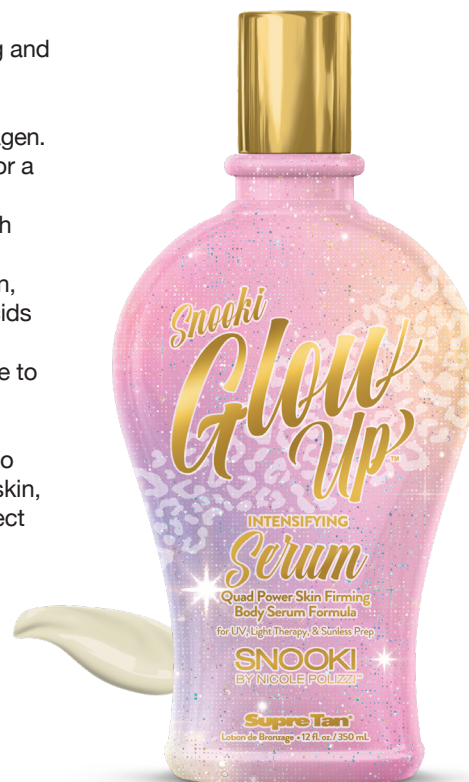

Skin Care Benefits

- **Aloe Vera:** An extract from the leaves of the Aloe Barbadensis plant known to have healing and soothing properties.
- **DPHP:** Dipalmitoyl Hydroxyproline helps stimulate the production of collagen fibers, which results in healthier looking skin. It can also help counteract the free radicals that destroy collagen.
- **Papaya Enzymes:** Helps improve skin texture, soothes irritation, and helps brighten skin for a more radiant finish.
- **Squalane:** Helps provide deep hydration and helps support the skin barrier for soft, smooth skin. It is a non-comedogenic, making it suitable for all skin types.
- **Sugar Cane Extract:** Known to improve Collagen and Hyaluronic Acid synthesis in the skin, which decreases appearance of wrinkles and fine lines. Sugarcane is packed with lactic acids that keeps the skin smooth and hydrated to eliminate dry and dead skin cells.
- **Tattoo Color Shield Technology:** Blend containing Essential Minerals, Aloe Vera and Algae to help maintain the color and vibrancy of tattoos.
- **Vitamin B5/C/E:** Our Vitamin blend is packed with antioxidants that shield skin from free radicals and stimulates collagen synthesis. Panthenol or Pantothenic Acid is a humectant to hydrate and retain moisture in the skin. Ascorbic Acid helps to brighten, soothe damaged skin, and reduces the appearance of fine lines and wrinkles. And Tocopheryl Acetate helps protect against sun damage, conditions skin and maintains skin's natural moisture barrier.

Fragrance: Wild Orchard with notes Juicy Apple, Wild Berries and Warm Vanilla Sugar.
