- Multi-Service Prep Mitt
- pH Balancing Formula
- Gentle Exfoliation
- Deeply Repairing Hydration
- Skin Calming & Soothing Agents
- For use prior to all in spa services
- Unscented

BENEFITS:

- **Multi Service Prep Mitt** – This one-time use, pre-moistened body mitt is designed to gently exfoliate and refresh skin before UV, sunless, or spa services.
- **pH Balancers** – Helps the skin to achieve optimal pH levels for enhanced results.
- **Textured Exfoliating Surface** – Helps gently lift away dead surface skin cells to prep skin for smoother, more even application.
- **Aloe** – Works to soften skin while hydrating, nourishing and providing anti-inflammatory properties.
- **Chamomile** – Calms the skin to help reduce visible signs of stress while promoting a more balanced, refreshed complexion.
- **Glycerin** – Powerful humectant that helps lock in moisture and soften dry patches.
- **Vitamin E** – Conditions and protects for a soft, smooth touch.

KEY SELLING STATEMENT:

Infused with aloe, chamomile, glycerin, vitamin E, and skin-conditioning ingredients, this convenient prep mitt helps remove surface buildup, excess oils, and impurities while leaving skin feeling smooth, soft, and balanced. The pH-friendly formula helps create the ideal fresh-skin feel for a more flawless product application.

Perfect for use before lotions, self-tanners, light sessions, and professional spa services.
