Carrot
Oil

Argan
Oil

Raspberry
Extract

Hot Skin
Stimulators

Tanning Benefits

- **Tan Maximizers:** Enhances Melanin production during UV exposure for darker tanning results in a shorter period of time.
- **Tyrosine:** Amino Acid that helps to increase melanin production to enhance the body's natural tanning process for a more effective tan.
- **Benzyl Nicotinate:** Ingredient creates a tingle sensation. Helps increase blood flow by the dilatation of small arterioles which in turn change the skins color and the level of oxygen in skin increases.
- **Cosmetic Natural Bronzers:** Natural streak free bronzers provide instant color to even skin tone for a smooth, flawless appearance.
- **DHA (Dihydroxyacetone):** Tanning agent commonly used in sunless formulas. A Keto Sugar derived from Sugarcane; it reacts with proteins on the surface of the skin to create the look of a tan by staining the upper levels of the skin lasting up to 8 days.
- **Erythrulose:** A natural occurring sugar that reacts with the skin's amino acids, producing a brownish coloration. It helps provides an even and uniform sunless tan that develops within 24 to 48 hours for a gradual, natural looking color.
- **Melanin Activating Peptide:** String of proteins that is known to help stimulate Melanin synthesis, producing a darker tone.
- **Trisol DMI:** Dimethyl Isosorbide is a DHA delivery system that helps DHA penetrates deeper for longer lasting more natural looking color.

Skin Care Benefits

- **Aloe Vera:** An extract from the leaves of the Aloe Barbadensis plant known to have healing and soothing properties. It also helps condition, rejuvenate and restore moisture balance to the skin.
- **Argan Oil:** Argan Oil is high in Vitamin E. Helps condition, nourish, smooth, soften and moisturize.
- **Caffeine:** Helps reduce puffiness and the appearance of fine lines and wrinkles. Also known to energize skin.
- **Carrot Seed Oil:** Soothes the skin by reducing redness, irritation, and has strong anti-aging properties due to its rich content of vitamins A, C, and E. Carrot Seed Oil also helps to even out skin tone leaving it radiant and glowing.
- **Ceramides:** Helps to moisturize and strengthen the protective skin barrier and prevent moisture loss from the skin. Hydrated skin can help minimize the appearance of fine lines and wrinkles, which are often more visible when the skin is dry.
- **Shea Butter:** Shea Butter is packed with vitamins and nutrients that are good for your skin. It helps relieve dry skin, calms inflammation, and provides excellent anti-aging benefits.
- **Raspberry Extract:** Helps neutralize free radicals, brighten skin tone, and calm irritation for a smoother appearance. Also contains omega-3 and omega-6 fatty acids that help reinforce the skin barrier and lock in moisture.
- **Vitamin B5/C/E:** Our Vitamin blend is packed with antioxidants that shield skin from free radicals and stimulates collagen synthesis. Panthenol or Pantothenic Acid is an essential nutrient for healthy skin that is a humectant to hydrate and retain moisture in the skin. Ascorbic Acid helps to brighten, soothe damaged skin, and reduces the appearance of fine lines and wrinkles. And Tocopheryl Acetate helps protect against sun damage, conditions skin and maintains skin's natural moisture barrier.

Fragrance: Ruby Rush with notes of Blushing Berries, Jasmine and Creamy Vanilla.
