Water

Tanning Benefits

- **Tan Maximizers:** Enhances Melanin production during UV exposure for darker tanning results in a shorter period of time.
- **Cosmetic Natural Bronzers:** Natural streak free bronzers provide instant color to even skin tone for a smooth, flawless appearance.
- **DHA (Dihydroxyacetone):** Tanning agent commonly used in sunless formulas. A Keto Sugar derived from Sugarcane; it reacts with proteins on the surface of the skin to create the look of a tan by staining the upper levels of the skin lasting up to 8 days.
- **Erythrulose:** A natural occurring sugar that reacts with the skin's amino acids, producing a brownish coloration. It helps provides an even and uniform sunless tan that develops within 24 to 48 hours for a gradual, natural looking color.
- **Melanin Activating Peptide:** String of proteins that is known to help stimulate Melanin synthesis, producing a darker tone.
- **Trisol DMI:** Dimethyl Isosorbide is a DHA delivery system that helps DHA penetrates deeper for longer lasting more natural looking color.

Skin Care Benefits

- **Aloe Vera:** An extract from the leaves of the Aloe Barbadensis plant known to have healing and soothing properties. It also helps condition, rejuvenate and restore moisture balance to the skin.
- **Shea Butter:** Shea Butter is packed with vitamins and nutrients that are good for your skin. It relieves dry skin, calms inflammation, and provides excellent anti-aging benefits.
- **Vitamin B5/C/E:** Our Vitamin blend is packed with antioxidants that shield skin from free radicals and stimulates collagen synthesis. Panthenol or Pantothenic Acid is an essential nutrient for healthy skin that is a humectant to hydrate and retain moisture in the skin. Ascorbic Acid helps to brighten, soothe damaged skin, and reduces the appearance of fine line and wrinkles. And Tocopheryl Acetate helps protect against sun damage, conditions skin and maintains skin's natural moisture barrier.
- **Argan Oil:** Argon Oil is high in Vitamin E. Helps condition, nourish, smooth, soften and moisturize.
- **Carrot Root Oil:** Soothes the skin by reducing redness, irritation, and has strong antiaging properties due to its rich content of vitamins A, C, and E. Carrot Root Oil also helps to even out skin tone leaving it radiant and glowing.
- **Coconut Water:** Hydrates, conditions and helps protect the skin. It has anti-aging properties and helps prolong the life of a tan.
- **Electrolytes:** Electrolytes such as Magnesium and Potassium help your skin retain moisture for healthy looking skin. They support skin's natural barrier function by locking in moisture and calm irritated skin.

Fragrance: Aloe Water with notes of Cucumber Water, Aloe Leaf and Green Apple.
