

sunna

Blending Brush

For use with Sunna Self tanning products or in the Pro tan room, used to softly distribute and blend tan.

DESCRIPTION:

No sunless tan routine is complete without a blending brush!

Made with soft synthetic hair*, SunnaTan brushes allow you to complete your sunless experience by blending out imperfections and build up that may happen when applying your self tan.

*vegan

HOW TO USE:

Use this blending brush with the entire SunnaTan Sunless Tanning line. It's perfect for brushing out imperfections & helping you to apply your sunless tanner. It's great to use for face & body contouring as well. Airbrush Artists can use this brush in the tan room as a blending tool for fixing imperfections.
