BENEFITS:

- Blue-Hued Tanning Aqua Gel – A fast-absorbing, ultra-lightweight performance gel engineered to help intensify deep, powerful tanning results without the use of self-tanning agents.
- Invisible Performance Formula – A weightless, quick-dry gel that disappears into skin with zero greasy, sticky or heavy residue - just a clean, barely-there feel like you're wearing nothing at all.
- Multi-Tyrosine Color Complex – A targeted blend of multiple tyrosines designed to help accelerate and intensify the appearance of deeper, darker, more developed tanning results.
- Velvessil™ – A specialty skin-smoothing gel that delivers a sleek, silky feel while leaving skin soft, conditioned and dry to the touch with no heavy or greasy residue.
- Snow Mushroom – Hydrates the skin by helping to retain moisture, improve skin's elasticity and create a plump, dewy complexion.
- Magnesium – Helps calm the look of visible skin stress while promoting a smoother, more balanced and refreshed appearance.
- Glacial Mineral Water – A mineral-rich burst of hydration that helps instantly refresh and cool the feel of skin while leaving it soft, replenished and revitalized.
- Blue Tansy™ – Flower extract that contains calming and healing properties while using blue hues to counteract orange tones in the skin.
- Pore Refining Blend – A blend of Baobab, Witch Hazel & Apple Cider Vinegar combats oily skin and acne formations, fights signs of aging and hyperpigmentation all while promoting a healthy skin barrier with a minimized appearance of enlarged pores.
- Mel[O]stem™ – The first plant derived active ingredient that has been clinically found to improve the skin's complexion and signs of aging by targeting sunspots for a better color balance.
- White Birch – An antioxidant-rich botanical extract that helps improve the look of skin firmness and elasticity while smoothing the appearance of fine lines for a more toned, youthful-looking complexion.
- Pine Bark – An antioxidant-rich botanical that helps support the skin's moisture barrier while defending against environmental stressors for a smoother, healthier-looking appearance.
- Tattoo & Color Fade Protectors – Protects the color and luster of tattoos and tanning results.

KEY SELLING STATEMENT:

Reach new tanning heights with HIM Altitude™! This invisible finish performance aqua-gel is engineered for the man who wants maximum results, without ever feeling his lotion. Designed with precision-level dark tan activators, this high-performance formula helps optimize every tanning session for elevated, richer-looking color while disappearing seamlessly into the skin with a clean, weightless finish. A cooling infusion of glacial mineral water floods the skin while mineral-rich conditioners help replenish and maintain skin's natural moisture balance without a trace of heaviness or residue. Color-balancing technologies help counteract the appearance of unwanted orange tones for a refined, natural-looking bronze color.

Powerful, performance-grade, and virtually undetectable, HIM Altitude™ provides results you can see, from a formula you will never feel!
