

# Hot!® Hybrid Prep Spray

Hybrid Prep Spray

# Australian Gold®

Aloe

## FEATURES

- Aloe Base
- ATO Inhibitor
- Red-Light Collagen Boost
- Peptide Complex

## PRODUCT STORY

Hot!® Hybrid Prep Spray's advanced formula combines skin-loving amino acids with a soothing Aloe Base to prep your skin for both UV and Red-Light sessions. Enriched with Aloe Vera, it softens and hydrates for a smooth, radiant appearance. The Red Light Collagen Boost enhances skin texture and provides a natural glow, while the ATO Inhibitor with Witch Hazel keeps you feeling fresh by preventing post-tan odors. For flawless results and a refreshed feel, prep right with Hot!® Hybrid Prep Spray.

## TECHNOLOGY

### COLOR TECHNOLOGY

**Red Light Peptide Complex:** This complex is rich in amino acids which help to promote the synthesis of proteins and help improve skin health. It is also known to help boost collagen and elastin production, helping to improve overall smoothness and appearance of skin when used in conjunction with Red Light equipment.

### SKINCARE TECHNOLOGY

- **Aloe:** High Level of concentrated Aloe Vera helps soothe and moisturize for healthy, even skin.
- **Red Light Collagen Boost:** Superior skincare, including Peptides, helps boost collagen and elastin production for smoother skin.
- **Witch Hazel Extract:** is known to help prevent unpleasant after tan odors from developing.

### FRAGRANCE

Cocoa Dreams – Orange, Citrus, Banana, Coconut, Rose & Vanilla.

6 Fl Oz

Hybrid

ATO Inhibitor

## HOW TO USE

Shake well before use. Hold 25 cm from body and spray in even, continuous motions. Wash hands immediately after applying.

### QUICK FACT

Formulated to be used in UV, Red Light or UV/Red Light Hybrid equipment.
