COLOR TECHNOLOGY

Ultra Dark Bronzer Blend: Experience maximum color with a powerful blend of dark natural bronzers and Melanin that are formulated to help deepen a natural tan.

SKINCARE TECHNOLOGY

Sexy Skin Blend: A lush blend of Black Currant, Kukui Seed and Hemp Seed Oil work together to help alleviate dry skin for superior hydration and touchably, soft skin.

Perfected Ink-Drink™ Complex: Green tea combines with Beeswax, Raspberry and Vitamin E to give tattoos a healthy gulp of rejuvenation and restoration.

Remarkable Soft Skin Technology: Silicone, Aloe Vera and White Birch Bark merge to create the ultimate skin moisturizer that leaves the skin nourished and hydrated.

Hydrating Complex: A mega fusion of Glycerin, Propylene Glycol and Green Tea extract work to push hydration to the max, leaving the skin plump and soothed.
