

Keylime Kisses™ Instant Dark Bronzer

Tropical Reef Friendly

Discover the sun-kissed islands of the Florida Keys. Keylime Kisses™ Instant Dark Bronzer is infused with Marine Bio-Actives including Magnesium & Algae to support healthy looking skin, a burst of Lime & Orange antioxidants to help revitalize and refresh skin, and dark DHA bronzers to deliver an instant airbrushed finish for effortless island radiance. Our Reef Friendly formula with vitamin rich Coconut and Palm Oil drenches the skin barrier for ultra hydrated skin that feels soft, smooth and ready for endless sunsets. Experience bronzed beauty with a tropical twist.

Featured Ingredients

Magnesium

Algae Extract

Palm Oil

Citrus Extract

Tanning Benefits

- Tan Maximizers: Enhances Melanin production during UV exposure for darker tanning results in a shorter period of time.
- Tyrosine: Amino Acid that helps to increase melanin production to enhance the body's natural tanning process for a more effective tan.
- Cosmetic Natural Bronzers: Natural streak free bronzers provide instant color to even skin tone for a smooth, flawless appearance.
- DHA (Dihydroxyacetone): Tanning agent commonly used in sunless formulas. A Keto Sugar derived from Sugarcane; it reacts with proteins on the surface of the skin to create the look of a tan by staining the upper levels of the skin lasting up to 8 days.
- Melanin Activating Peptide: String of proteins that is known to help stimulate Melanin synthesis, producing a darker tone.

Skin Care Benefits

- Algae Extract: A marine-derived ingredient that is rich in Polysaccharides, Amino Acids, Minerals and trace elements. It forms a protective barrier on the skin to reduce trans-epidermal water loss and to help maintain moisture. It also has anti-aging, anti-inflammatory, detoxifying, and soothing properties.
- Aloe Vera: An extract from the leaves of the Aloe Barbadensis plant known to have healing and soothing properties. It also helps condition, rejuvenate and restore moisture balance to the skin.
- Citrus Extracts: Lime and Orange Extract are rich in Vitamin C, with anti-aging and skin-saving benefits, such as brightening the skin, tightening the pores, and increasing radiance.
- Coconut Oil: Hydrates, conditions and helps protect the skin. Extracted from the dried flesh of the Coconut, it has anti-aging properties and helps prolong the life of a tan.
- Palm Oil: This sustainably sourced emollient is rich in antioxidants and helps provide deep moisturization to help maintain the skin barrier. Palm oil is rich in fatty acids like Palmitic, Oleic, and Linoleic acids, which help lock in moisture and aid in preventing trans epidermal water loss.
- Magnesium: A multi-functioning mineral that helps calm, balance, hydrate and supports the skin barrier to reduce trans-epidermal water loss. Also provides antioxidant protection, while serving as a humectant for smoother, more hydrated skin.
- Shea Butter: Shea Butter is packed with vitamins and nutrients that are good for your skin. It helps relieve dry skin, calms inflammation, and provides excellent anti-aging benefits.
- Vitamin B5/C/E: Our Vitamin blend is packed with antioxidants that shield skin from free radicals and stimulates collagen synthesis. Panthenol or Pantothenic Acid is an essential nutrient for healthy skin that is a humectant to hydrate and retain moisture in the skin. Ascorbic Acid helps to brighten, soothe damaged skin, and reduces the appearance of fine lines and wrinkles. And Tocopheryl Acetate helps protect against sun damage, conditions skin and maintains skin's natural moisture barrier.

Fragrance: Keylime Breeze with notes of Lime, Raspberry Nectar and Melon.
