

HEMPZ

BEAUTY ACTIVES FACIAL SKINCARE

Lavender & Chamomile

Restoring Night Moisturizer

enriched with

Bakuchiol

A plant-based, vegan-friendly retinol alternative, bakuchiol helps reduce the appearance of wrinkles and fine lines to help make skin look firmer and smoother.

Points of Difference

We've paired bakuchiol with our signature ingredient, hemp seed oil. Nature's most perfectly balanced oil, it moisturizes, protects, heals, and calms skin while delivering anti-aging benefits.
