BENEFITS:

- DHA, Natural & Cosmetic Bronzing Blend – A balanced combination of immediate and delayed bronzers that builds beautiful depth and dimension for rich, radiant, naturally sun-kissed color.
- Vitamin C – Helps to brighten dull and uneven skin tone while being high in antioxidants to protect against free radical damage.
- Blue Tansy™ – Flower extract that contains calming and healing properties while using blue hues to counteract orange tones in the skin to provide the most natural color possible.
- Eterwell™ Youth – Produced from the rare plant alpine willowherb, Eterwell™ Youth helps rejuvenate healthy skin and reduce the appearance of imperfections.
- SymBronze® Green – Derived from microalgae, this extract enhances skin complexion and encourages a darker tan, leaving the skin with a flawless airbrushed finish.
- Cactus Water – A refreshing, moisture-rich botanical that helps replenish hydration while leaving skin feeling soft, smooth, supple and visibly refreshed.
- Coconut Milk – A creamy, nutrient-rich skin conditioner that helps replenish moisture, soften the feel of skin and promote a smoother, more supple, hydrated appearance.
- Mango Butter – Rich in antioxidants that help reduce the appearance of fine lines & wrinkles while providing a glowing complexion.
- Pomegranate Extract – An antioxidant-rich superfruit extract that helps defend against environmental stressors while promoting smoother, more radiant and youthful-looking skin.

KEY SELLING STATEMENT:

Escape to effortless color with Lost in Caicos™, a beautifully balanced DHA bronzer created for rich, golden just from the beach color. Blue Tansy helps visually balance unwanted orange tones for a more refined bronze, while Pomegranate and Cactus Water help refresh the look of skin with antioxidant-rich hydration. Creamy Coconut Milk and Mango Butter wrap skin in silky moisture for a soft, smooth finish, while Vitamin C helps revive the look of dullness and boost visible radiance. Lost in Caicos™ leaves skin drenched in silky moisture and wrapped in rich, glowing color that looks like the vacation never ended.
