ABOUT THE PRODUCT

Your island obsession has returned with a darker desire. This "all-inclusive" vacation for your skin is the very essence of paradise, trapped in a bottle and waiting to be unleashed. Ultra Advanced 500X Island Nights Bronzing utilizes some of Tan Asz U's deepest bronzing yet for plateau-busting color and a rich, island-night glow. A skin-drenching Hawaiian Glow Nectar of Coconut Water, Hibiscus and Marula, plus Luau coconut cream and kukui ambrosia, gives skin unparalleled radiance and an irresistible skin-softening allure. A blend of Copper Peptides and potent Ceramides is in a class of its own for maintaining breathtaking, soft and smooth-looking skin. The vegan, cruelty free formula is free of parabens, sulfates, phthalates, gluten and formaldehyde, and is finished with the Ambrosia Fineapple fragrance for tropical vibes every session. From the moment the sun rises to long after it has set, this look and feel is the Hawaiian experience you'll want to relive forever.
