ABOUT THE PRODUCT

This spell of the islands lasts long after the clock strikes twelve with Tan Asz U Midnight Maui Double Shot 400X Bronzer. The secrets of Maui's sun, sand and surf transport body and mind to island paradise, your goddess glow making every moment a photo-perfect event you'll want to capture. Infused with an ultra-potent Double Shot 400X bronzing blend, this luxurious tanning lotion delivers dramatically dark results that continue to develop after your session. Black Pearl and Peptide Illuminator leaves skin glowing with radiant warmth and a smooth, luminous tone, while the Ink intuition tattoo enhancing complex helps body art stand out against your rich bronze. The ultra-hydrating formula leaves skin soft, silky and beach-ready, finished with the tropical Mandarin Maui Colada fragrance so every application feels like a mini vacation.
