BENEFITS:

- Milky All Light Amplifying Facial Essence – A weightless, fast-absorbing facial milk that melts seamlessly into skin, leaving it smooth, luminous and glazed with radiance while helping optimize UV and light-based spa results.
- Peptilift – A peptide complex that helps relax the appearance of fine lines and wrinkles to provide visibly smoother, more supple looking skin.
- Exovive™ Lift – An advanced exosome-based skin technology that helps support a more lifted, defined appearance while working to smooth the look of fine lines and wrinkles.
- Hydrolyzed Sponge – A marine-derived skin-refining ingredient that helps visibly smooth uneven texture and improve the look of firmness for a more polished, rejuvenated-looking complexion.
- Mineral-Rich Skin Support – A blend of Copper and Magnesium work to help fortify the skin barrier, draw in moisture and leave skin feeling refreshed.
- pH Balancing Blend – A blend of Citric Acid and Rose Water helps balance skin's pH for enhanced glow and optimized tanning and spa results.
- French Flax Seed Oil – Helps nourish and replenish the skin's moisture barrier for a softer, smoother and more supple-looking complexion.
- Porcelain Flower Extract – Hydrates and nourishes the skin while also helping to promote a crystal-clear complexion.
- GlowPlex™ – A multi-functional skincare active containing Niacinamide and anti-aging peptides to promote glowing skin, blur imperfections and helping to minimize the appearance of dark spots.
- Vegan Squalane – Replenishes moisture and restores softness while supporting the skin's lipid barrier.
- Hyaluronic Acid – A gentle blend of agents that work to hydrate layers of the skin to promote a bouncy, plump look.
- ATP Skin Performance Complex™ – Supports cellular energy production to help skin perform more efficiently during UV exposure, light therapy, and sunless development for enhanced color performance and visible skin vitality.
- Glass Skin Complex – Contains a blend of Snow Mushroom and Ceramides help to create a smooth, intensely hydrated complexion that appears dewy and luminous.
- Multi-Use Formula – A versatile facial essence designed to enhance UV, all-light spa and sunless services, or be used at home as a lightweight daily skincare step to hydrate, smooth and boost the look of radiant skin.

KEY SELLING STATEMENT:

Milk Gloss Glow™ is your skin-prepping secret for a smooth, luminous, sun-kissed finish. This multi-tasking facial tanning milk combines lightweight hydration, glow-enhancing skincare and adaptable tanning technology to help create fresh, naturally bronzed color in any tanning environment. The silky, pH-balancing formula glides over the skin like a moisture-rich glaze, helping create a soft, even-looking canvas while leaving behind a dewy, glass-skin sheen. Advanced peptides and lifting-inspired skincare ingredients help visibly smooth the look of fine lines, improve the appearance of firmness and refine uneven-looking texture. Illuminating Porcelain Flower and radiance-enhancing peptides help blur the look of imperfections, improve the appearance of uneven tone and reveal a brighter, more polished-looking complexion. The result? Milky-soft skin and a glassy bronze glow that hits from every angle. Prep. Bronze. Glaze. Repeat.
