

INVISIBLE GLOW

GRADUAL HYDRATING TAN GELLY (237 ML / 8 FL OZ) CLEAR SELF TAN GEL

HYDRATE THE SKIN WHILE BOOSTING YOUR GLOW DAILY WITH A CLEAR, RINSE-FREE GRADUAL TAN GELLY.

A hydrating and clear, gradual self tan gel for a smooth skin finish without ever needing to rinse. Enriched with hyaluronic acid and vitamin B5 for a hydrated yet smooth, streak-free glow. When applied to bare skin, The Gradual Invisible Glow Tan Gelly results in a subtle yet illuminating glow. Refresh old tan with a streak-free bronze and boost of hydration to build a beautiful, natural glow daily.

KEY FEATURES

- No rinse required
- No transfer
- Hydrating formula with hyaluronic acid & vitamins
- Gradually build your glow daily
- Clear, streak-free formula
- Fast drying
- No fake tan smell

KEY INGREDIENTS

- Hyaluronic Acid
- Vitamin B5

HOW TO USE

1. Apply 2-3 pumps per body part to dry, freshly cleansed skin with your hands or our Bronze On Applicator Mitt
2. Blend thoroughly and use sparingly on elbows, knees and ankles. Wash hands immediately after application
3. No rinse required. Re-apply daily to build or extend your glow

RESULTS

A hydrating, smooth and streak-free, natural glowing finish that can gradually build to a medium dark bronze
