Extract

Tanning Benefits

- **Tan Maximizers:** Enhances Melanin production during UV exposure for darker tanning results in a shorter period of time.
- **Tyrosine:** Amino Acid that helps to increase melanin production to enhance the body's natural tanning process for a more effective tan.
- **Cosmetic Natural Bronzers:** Natural streak free bronzers provide instant color to even skin tone for a smooth, flawless appearance.
- **DHA (Dihydroxyacetone):** Tanning agent commonly used in sunless formulas. A Keto Sugar derived from Sugarcane; it reacts with proteins on the surface of the skin to create the look of a tan by staining the upper levels of the skin lasting up to 8 days.
- **Erythrulose:** A natural occurring sugar that reacts with the skin's amino acids, producing a brownish coloration. It helps provides an even and uniform sunless tan that develops within 24 to 48 hours for a gradual, natural looking color.
- **Benzyl Nicotinate:** Ingredient creates a tingle sensation. Helps increase blood flow by the dilatation of small arterioles which in turn change the skin's color and the level of oxygen in skin increases.

Skin Care Benefits

- **Aloe Vera:** An extract from the leaves of the Aloe Barbadensis plant known to have healing and soothing properties. It also helps condition, rejuvenate and restore moisture balance to the skin.
- **Baobab Seed Oil:** This nutrient rich oil provides deep hydration, can help strengthen the skin barrier and helps improve skin elasticity and smoothness. It has Fatty Acids, Vitamins, and is non-comedogenic.
- **Caffeine:** Helps reduce puffiness and the appearance of fine lines and wrinkles. Also known to energize skin.
- **Carrot Seed Oil:** Soothes the skin by reducing redness, irritation, and has strong antiaging properties due to its rich content of Vitamins. Carrot Seed Oil also helps to even out skin tone leaving it radiant and glowing.
- **Hair Growth Inhibitors:** Our hair growth inhibitor blend with Gymnema Sylvestre Leaf Extract contains Gymnemic Acids that inhibit hair follicle activity to slow hair growth.
- **Jojoba Oil:** An extract from the bean of the Jojoba plant with a high Lipid content. This renewable source of high quality conditioning for the skin is excellent for all skin types.
- **Mushroom Extract:** Known for its antioxidant properties, Mushroom Extract contains Kojic Acid to help brighten and even skin tone for a more radiant complexion. Also helps improve skin hydration.
- **Oolong Tea Extract:** Camellia Sinensis Leaf Extract has Anti-Aging and Antioxidant properties to help fight free radicals while promoting skin cell renewal.
- **Shea Butter:** Shea Butter is packed with vitamins and nutrients that are good for your skin. It helps relieve dry skin, calms inflammation, and provides excellent anti-aging benefits.
- **Skin Firming Peptide:** Palmitoyl Tetrapeptide-7 is known to help reduce inflammation, smooth and help firm skin for a more youthful looking appearance.
- **Vitamin B5/C/E:** Our Vitamin blend is packed with antioxidants that shield skin from free radicals and stimulates collagen synthesis. Panthenol or Pantothenic Acid is an essential nutrient for healthy skin that is a humectant to hydrate and retain moisture in the skin. Ascorbic Acid helps to brighten, soothe damaged skin, and reduces the appearance of fine line and wrinkles. And Tocopheryl Acetate helps protect against sun damage, conditions skin and maintains skin's natural moisture barrier.

Fragrance: Sheer Coconut with notes of Coconut, Sandalwood and Amber.
