PRODUCT STORY – *Perfect 10™ Collection*

Want a Perfect 10™ tan? Use this perfectly blended skin smoothie! DHA and Caramel combine for instant and delayed color as Spinach and Kale mix for Berry smooth skin. Essential ingredients, like prebiotics and probiotics, work together for a nourished skin barrier while Organic Antioxidant Extracts protect from environmental stressors for happy, healthy skin! ATO Inhibitors have odor fighting properties to keep you smelling fresh. You're a Perfect 10™, your tan should be too!

COLOR TECHNOLOGY

Super Charged DHA Bronzing Technology: Experience the power of DHA and natural bronzers as they collaborate to create a long-lasting tan. This evolutionary technology revitalizes the skin with nutrient-rich superfoods, Spinach, Kale and Berries, leaving the skin nourished, radiant and glowing.

SKINCARE TECHNOLOGY

Synergy Blend: Prebiotics and probiotics work synergistically to maintain a balanced microbiome for better skin health and a protected skin barrier for a glowing complexion.

Organic Antioxidant Extracts: Rich in antioxidants, the extracts in this organic blend help protect skin from external aggressors for a dewy, invigorated look.

Kombucha: Packed with an array of essential B Vitamins, this formulation nourishes your skin and decreases skin texture and roughness. These vitamins enhance its vitality and luminosity for a timeless, radiant appearance.
