## BENEFITS:

- Transfer Resistant White Bronzer – Utilizing DHA and Natural bronzers to provide you with sunkissed color without transferring onto your clothes.
- Mangosteen – Rich in antioxidants that help reduce the appearance of fine lines and wrinkles while providing a hydrated, glowing complexion.
- Superox C™ – A specialty derived blend of Kakadu Plum known as one of the world's richest sources of Vitamin C, Superox C is a potent antioxidant and contains micronutrient benefits that help to protect against environmental damage.
- Striover™ - Utilizing a combination of two plant based compounds, Striover™ helps improve energy in the skin to increase elasticity and reduce the appearance of stretch marks.
- Snow Mushroom – Hydrates the skin by helping to retain moisture, improve skin's elasticity, and create a plump, dewy complexion.
- Bronze Boost Complex - A combination of dark tan activators, carrot & argan oils to stimulate melanin activity for enhanced pigmentation. Penetrates through dry layers of skin for softer, longer lasting results.
- Coconut Water – Electrolyte rich to increase skin's hydration and elasticity and adds a glowing effect to the skin.
- Pomegranate Extract - A powerful antioxidant, helping to combat free radicals and reduce signs of aging while nourishing the skin for a smoother, more youthful appearance.
- Tattoo & Color Fade Protection – Protects the color and the luster of your tan and your tattoos.
