BENEFITS:

- Hypoallergenic and Fragrance Free DHA Facial Tan Enhancer – Utilizes melanin stimulants and a subtle level of DHA to help facial skin develop an even, effortless-looking tan suitable for all skin types.
- Sensitive Skin Approved – Formulated hypoallergenic and fragrance free.
- Raspberry Ketone– This natural ingredient includes Erythrulose, a ketone sugar that interacts with the amino acids in your skin, resulting in a golden-brown hue.
- Snow Mushroom – Hydrates the skin by helping to retain moisture, improve skin's elasticity, and create a plump, dewy complexion.
- Rice Extract – Soothes and softens sensitive skin without causing irritation.
- White Tea Extract – Anti-inflammatory that works as a natural antioxidant to help improve the appearance of hyperpigmentation.
- Vitamins C & E – Helps to slow signs of aging while also working to improve the appearance of dark spots and skin imperfections.
- Peptides – Helps to target the appearance of fine lines and wrinkles for a more youthful look.

KEY SELLING STATEMENT:

Pure intentions. A cleaner kind of color. Pure Intentions™ is a mindfully formulated, hypoallergenic facial tanning bronzer created with sensitive skin in mind. A subtle level of DHA develops into a sheer, sun-kissed glow for fresh, effortless-looking facial color that never appears heavy or overdone. Weightless humectants and soothing, skin-conditioning botanicals help replenish moisture and leave the complexion feeling soft, calm and comfortably hydrated. Antioxidant-rich vitamins and white tea help defend against the visible effects of environmental stressors, while gentle peptides help improve the appearance of dullness, uneven tone and texture for a smoother, more balanced-looking finish. Clean. Gentle. Intentional. Pure Intentions™ proves pure performance has nothing to hide
