Key Ingredients & Benefits

- Coaxel (Coenzyme A - L-Carnitine - Caffeine) is a patented ingredient designed to help firm & tone skin for a more youthful appearance.
- Coenzyme Q10: Ubiquinone is an anti-aging superstar that minimizes the appearance of fine lines and wrinkles, inflammation, and sun damage by stimulating collagen and elastin production to even out skin tone and boost your skin's natural glow.
- Ferulic Acid: This plant-based antioxidant is known for its anti-aging properties. Ferulic Acid fights free radicals while boosting the effectiveness of other antioxidants such as Vitamin C and E protecting overall skin integrity.
- Hyaluronic Acid: Good water-binding agent helps provide defense against water loss in skin. Its anti-aging properties stimulate collagen production and boosts skin elasticity.
- Tri-Peptide Blend: Composed of three Amino Acids, these are the building blocks of protein and play a crucial role in skin care. They help to hydrate the skin, promote cellular repair, and stimulate collagen production for more youthful looking skin.
- Vitamin B3: Niacin or Niacinamide (Retinol alternative) helps to restore skin's defense against moisture loss, evens out skin tone, builds keratin and restores the lipid barrier. Suitable for all skin types, helps prevent premature signs of aging and boosts collagen.
- Witch Hazel Extract: Hamamelis Virginiana is a versatile ingredient that has anti-inflammatory properties to soothe irritated skin.

Skin Care Benefits

- Aloe Vera: An extract from the leaves of the Aloe Barbadensis plant known to have healing and soothing properties. It also helps condition, rejuvenate and restore moisture balance to the skin. Extract known for healing and soothing properties that helps condition, rejuvenate. and restore moisture.
- Coconut Oil: Hydrates, conditions and helps protect the skin. Extracted from the dried flesh of the Coconut, it has anti-aging properties and helps prolong the life of a tan.
- Resveratrol: A powerful polyphenolic antioxidant that has anti-aging, anti-inflammatory, and protective properties. It helps promote cellular longevity by activating sirtuins, particularly SIRT1, to help protect skin cells from environmental stress and supports their long-term vitality.
- Shea Butter: Shea Butter is packed with vitamins and nutrients that are good for your skin. It relieves dry skin, calms inflammation, and provides excellent anti-aging benefits.
- Tyrosine: Amino Acid that helps to increase melanin production to enhance the body's natural tanning process for a more effective tan.
- Vitamin B5/C/E: Our Vitamin blend is packed with antioxidants that shield skin from free radicals and stimulates collagen synthesis. Panthenol or Pantothenic Acid is an essential nutrient for healthy skin that is a humectant to hydrate and retain moisture in the skin. Ascorbic Acid helps to brighten, soothe damaged skin, and reduces the appearance of fine line and wrinkles. And Tocopheryl Acetate helps protect against sun damage, conditions skin and maintains skin's natural moisture barrier.
- Yeast Extract (Vegan Collagen): This humectant helps the skin retain moisture for a healthy, hydrated finish. It is rich in Beta-Glucans to fight free radicals and Supports collagen synthesis to enhance skin firmness and elasticity. Similar benefits to Collagen, but is Vegan.

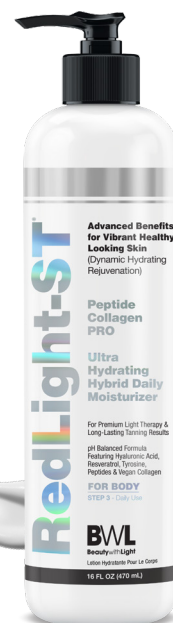

Fragrance: Enchanted Violet with notes of Blue Freesia, Violet and Indigo Ink.
