

SELFIE®
Glow Sunless

• Sunless Tan Remover & Primer

Instant and Effective Sunless Remover +
Hydrating Primers to Prepare the Skin for a Fresh Self-Tan

2 in 1 Tan Remover & Sunless Primer

Removes pre-existing sunless products with ease, while preparing the skin for a new flawless sunless application

Extreme Hydration Formula

Packed with skin conditioners, and moisturizing humectants, your skin is left soft and smooth

Hydrovance™

Provides weightless, long lasting moisture to the skin

3 Minute Formula

Only needs to be left on the skin for 3 minutes then wiped away to not only remove any old self tanner, but also prepare the skin for a new Selfie Glow

Spray Sooner

With Sunless Tan Remover & Primer there is no need to wait for your old tan to fade away, you can just 'remove it' and start fresh!

pH Balancers

Optimize the skins pH levels for longer lasting, darker, and a more even sunless tan.

Out with the old and in with the new! In just 3 minutes you can gently remove any excess self-tanner while also hydrating and priming the skin for a fresh sunless session! No need to wait, you can now be Selfie ready in no time!
