SKINCARE TECHNOLOGY

Super Soothe Complex: This combination of Apple, Oat milk and Aloe will have you falling in love with your soft skin. Apple’s antioxidants, phenolic compounds and flavonoids help to preserve the health and vitality of skin. Oat milk and Aloe with their gentle, soothing properties work to calm your delicate skin.

Moisturizing Cocoa Butter Blend: A delightful Cocoa Butter Blend prepares the skin for dark, glowing color by offering antioxidant properties and fatty acids that leave the skin hydrated. Fair-trade and organic Cocoa Butter aids the hydration blend. Coconut Water and Sea Salt contain electrolytes that hydrate to combat dry skin, while Shea Butter intensely moisturizes and conditions.

Barrier Balm: Sealed with a kiss from Vitamin A and Vitamin E, this balm allows skin to naturally rehydrate while helping to shield and improve the skin’s barrier function. These vitamins have been found to help protect against signs of aging by defending against external, environmental aggressors to improve the appearance of the skin for a youthful look that will leave you truly smitten!
