PRODUCT STORY

Signature Accelerator combines Australian Gold's classic tanning technology with advanced skincare benefits. Powered by Aloe, it preps and hydrates skin for a rich, even tan. Native Australian Oil and Vitamins A & E nourish and soften, while the Biosine Complex® delivers moisture and reduces after-tan odor. DermaDark® builds natural-looking, streak-free color—even without UV exposure. Biocide® with Tea Tree Oil reinforces odor control, and ColorGuard® Tattoo Technology helps keep tattoos bold and vibrant.

TECHNOLOGY

COLOR TECHNOLOGY

DermaDark®: An enchanting natural color enhancer that provides streak-free radiance; also builds color gradually with daily use even without UV exposure.

SKINCARE TECHNOLOGY

- **ActivAloe®:** The Aloe used in this technology is concentrated – certified by the Aloe Science Council. Derived from the leaves of the Aloe Vera plant, it helps soothe, soften and moisturize for smooth, healthy skin.
- **Biocide®:** A blend of Saccharomyces Ferment and Tea Tree Oil is known to help provide odor neutralization based on fermentation technology and antimicrobial properties.
- **Vitamins A & E:** Helps protect skin against external aggressors through antioxidant properties.
- **ColorGuard™ Tattoo Protection:** Tiger Grass is known to help support the skin's own collagen production, ensuring smooth, soft skin. With its moisturization properties, it helps protect tattoos from fading.

FRAGRANCE

Coco Dreams – Orange, Citrus, Banana, Coconut, Rose & Vanilla.

HOW TO USE

This product is intended for UV tanners. Generously apply the product to the skin in a circular motion before your session to provide a supreme tanning base or after to build color for a perfected look. For best results, pair with a primer and tan extender to ensure your skin maintains its golden glow. Avoid contact with eyes and delicate facial skin.

QUICK FACT

Olive Oil contains antioxidants and hydrophilic properties which can help form a protective barrier to trap moisture on the skin.
