ABOUT THE PRODUCT

Look, smell and feel assuredly attractive. There's something indescribably appealing about a dark charisma—a magnetism that pulls others to you—and this 300X advanced tanning lotion is designed to help you embody it. The 300X Advanced Tanning Formula gives your tan ultra-dark depth, while the After Dark Anti-Orange Color Correcting Complex helps counteract warm tones for the perfect shade of bronze. Tattoo Enhancing Technology boosts the vibrancy of your body art, and nourishing extracts work together with ultra-soft silicones to leave skin feeling smooth and touchable. Finished with an irresistible Sandalwood Suede fragrance, it's made for the moments when glances become gazes, draw becomes desire and you are, unmistakably, dark and handsome.
