- Juicy Pop of Antioxidants
- Illuminating Diamond Peptides
- Elasticity Boosting Striover™
- Firming Exovive™ Lift
- Pore Perfecting pH Balancers
- Tattoo & Color Fade Protecting
- Bubble Pop Fragrance

BENEFITS:

- Sugar-Infused Caramel + Dark DHA Complex – This ultra-dark, candy-charged bronzing blend combines rich caramel, sugarcane extracts and DHA to drench skin in deep, decadent color while intensifying UV, sunless and spa results.
- Coconut Milk Body Glaze – A decadent blend of squalane, creamy coconut milk and mango butter that drenches skin in indulgent moisture, leaving it silky-soft, supple and glazed in luminous radiance
- Skin Quenching Electrolyte Complex – A hydrating blend of snow mushroom and electrolytes that floods skin with rich moisture to help skin maintain a soft, supple glow.
- Marshmallow Extract – Works to fight against radical damage, while boosting complexion and soothing dry skin.
- Juicy Pop Antioxidant Blend – A juicy cocktail of strawberry, peach and pomegranate extracts rich in antioxidants to help refresh, hydrate and leave skin looking bright, radiant and deliciously glowing.
- Diamond Peptides – Combination of light-reflecting diamond powder and anti-aging peptides that work to blur imperfections, firm the skin and deliver a luminous, glass-like glow.
- Striover™ – Utilizes a combination of two plant-based compounds that help improve energy in the skin to increase elasticity and reduce the appearance of stretch marks.
- Exovive™ Lift – An advanced exosome-based skin technology that helps support a more lifted, defined appearance while working to smooth the look of fine lines and wrinkles.
- Apple Cider Vinegar pH Balancing Complex – Helps to absorb excess oils, unclog blocked pores and soothe irritation on the skin, while balancing the skin's pH levels.
- Tattoo & Color Fade Protectors – Protects the color and luster of tattoos and tanning results.

KEY SELLING STATEMENT:

Sugar Swig™ is your freshly poured fix for rich, craveable color and glazed sun-kissed skin. This dark tanning bronzer swirls fast acting Caramel with DHA and Sugar Cane Extract to help create deeper, darker and deliciously wearable results with a sweet, golden finish. An indulgent creamy Coconut Milk Body Glaze whipped with mango butter and silky emollients melts in on contact to soften, smooth and drench dry areas in plush moisture, while our replenishing electrolyte complex and Snow Mushroom help quench thirsty-looking skin with lightweight, long-lasting hydration. A juicy pop of antioxidant-rich Strawberry, Pomegranate and Peach helps defend the look of skin against visible environmental stressors while reviving dull, tired-looking skin with fresh, fruit-kissed radiance. The result is dark, glossy, sugar-kissed color and skin so soft, smooth and juicy-looking, you'll be craving another swig.
