

Black Chocolate™

DESCRIPTION:

So many superlatives, so little space: dark, rich, sumptuous, lavish, exquisite- it's just the beginning of ways to describe this lotion. Crafted in small batches with the finest ingredients, this Advanced 200X Black Bronzer bestows skin with an extensive bronzing recipe for the deepest bronze imaginable. This breathtaking color is complemented with a decadent blend of organic butters, providing unparalleled feel and glow. Black Chocolate is a rare and exceptional tanning experience to not be missed.

- Advanced 200X Black Bronzers are carefully crafted for your darkest tan yet.
 - Double dark chocolate extract nourishes skin with potent anti-oxidants.
 - An ultra-rich butter & silicone blend melts into skin for a supple & beautiful glow.
 - Max Silicones for magically soft feel and applic
- DHA-Free, Paraben-Free
