- pH Balancing

PRODUCT STORY

Reveal the secret to radiant, bronze color from within. This refined, elegant formula glides effortlessly over the skin, leaving behind a light and refreshing fragrance. Powered by advanced skincare and tanning technologies, the Tektön® Collection is designed to surpass expectations.

TECHNOLOGY

COLOR TECHNOLOGY

- **BronzeActiv®:** Infused with Black Pepper, this blend aims to naturally promote flawless color development inside and outside of the tanning bed.
- **Vitatan®:** Accelerate and build ultimate golden color faster than ever before with this innovative technology.

SKINCARE TECHNOLOGY

- **Tektonic Technology®:** Restore skin vitality while defending against daily environmental aggressors, revealing a fresh, luminous complexion.
- **Dual Peptide System:** This age-defying blend is inspired by natural processes of skin regeneration. It helps improve the appearance of fine lines and lessen the depth of wrinkles for a more youthful appearance.
- **Hybrid Enhance:** Utilizes hydrating and pH Balancing ingredients designated to boost collagen production.
- **Nature's Hidden Gem:** A vegan collagen alternative designed to improve and rejuvenate skin's moisture barrier.
- **Marine Enzyme:** A light-activated enzyme that helps protect the skin's barrier and promote healthier skin.

FRAGRANCE

Sensual Citrus – Citrus, Water Lily & Amber

HOW TO USE

This product is intended for all customers. Use before UV, Red Light, or Wellness sessions. Generously apply the serum to the skin using clean hands. For optimal results, pair with your favorite bronzer to ensure your skin maintains its golden glow. Can be applied to the face and body.

QUICK FACT

Vitamin C is the most abundant antioxidant in skin, known for its ability to improve uneven skin tone, enhance the appearance of fine lines and boost skin's antioxidant supply.
