LINE STORY

Treat your skin with the gentle hydrating Total Submersion™ Body Wash Step 3. This cleansing formula, infused with Copper Compounds, provides a sensation of ultimate hydration while working to enhance your tan. Vitatan® rejuvenates the skin with a unique blend of vitamins, minerals, and antioxidants that help to smooth a supple base for your tan. The Hydratan Fusion boosts collagen production for smooth and intense hydrating skin using Marine Collagen. Wash away impurities without drying skin or fading color with Total Submersion Body Wash Step 3!

SKINCARE TECHNOLOGY

Vitatan®: Rejuvenates the skin with a unique blend of vitamins, minerals, and antioxidants that help to smooth and revitalize nutrients, assisting the skin in developing a base tan.

Copper Compounds: Provides you with a sensation of ultimate hydration while working to enhance your tan.

Hydratan Fusion: Supports collagen production utilizing Marine Collagen to deliver intense hydration and achieve smooth skin.

AVAILABLE SIZES

18oz Bottle
